

KIDSFEST 2009 SCARECROW COMPETITION

ENTRY FORM

Be part of KidsFest this year by creating your very own
Scarecrow!

KidsFest scarecrow competition is open to all age groups and organizations.

The plan is to display a large number of scarecrows around the Miniature railway line at this year's KidsFest 2009.

This year we decided to shake things up a bit and divide the competition into two categories.

The first is general, which means you would make a normal traditional looking scarecrow.

The other category is for the bit more creative; a story book theme in which you would take your favourite storybook character and make it into a scarecrow.

Scarecrows can be put on display up to 2 weeks before KidsFest and could be left on display for up to 3 Months.

Your scarecrow must be completed from start to finish and comply with the conditions of entry provided.

Entries in the underage categories must be predominately completed by children of that age group.

All it takes to be in the running for fame and prizes is a \$5-00 entry fee. Prizes will be presented to the best scarecrow entries on Saturday the 3rd October 2009.

SCARECROW COMPETITION ENTRY FORM

FIRST NAME _____ LAST NAME _____

NAME OF GROUP, SCHOOL OR ORGANISATION _____
